

### § 3001.163

### 39 CFR Ch. III (7–1–07 Edition)

(g) A statement of those features of the proposed market test that, in the opinion of the Postal Service, cannot be modified without significantly impairing the value of the test;

(h) An estimate of the number of customers who will participate in the market test to the extent that such an estimate is practicable, together with a description of the means by which the Postal Service plans to provide equal access to all potential users in the test market service areas; and

(i) A plan for testing the proposed change or changes in the market, including a plan for gathering the data needed to support a permanent change in mail classification and for reporting the test data to the Commission. If periodic reporting of the test data would be harmful to the purposes of the test, such as by revealing information that might encourage competitors or mailers to take actions that would affect the test results, the plan may provide for presentation of the test data as part of the subsequent filing of data supporting a permanent mail classification change.

#### **§ 3001.163 Procedures—expedition of public notice and procedural schedule.**

(a) The purpose of this section is to provide a schedule for expediting proceedings in which the Postal Service proposes to conduct a market test of a requested change in mail classification it has submitted to the Commission pursuant to section 3623.

(b) Persons who are interested in participating in proceedings to consider Postal Service requests to conduct a market test may intervene pursuant to Subpart A of the rules of practice. Parties may withdraw from a particular case by filing a notice with the Secretary of the Commission.

(c) When the Postal Service files a request under the provisions of this subpart, it shall comply with the standard Filing Online procedures of §§ 3001.9 through 3001.12.

(d) When the Postal Service files a request under the provisions of this subpart, it shall on that same day file a notice that briefly describes its proposal. This notice shall indicate on its first page that it is a notice of a Mar-

ket Test Request to be considered under §§ 3001.161 through 3001.166.

(e) Within 5 days after receipt of a Postal Service request under the provisions of this subpart, the Commission shall issue a notice of proceeding and provide interested persons a minimum of 15 days after filing of the Postal Service request within which to intervene. In the event that a party wishes to dispute a genuine issue of material fact to be resolved in the consideration of the Postal Service's request, that party shall file with the Commission a request for a hearing within the time allowed in the notice of proceeding. The request for a hearing shall state with specificity the fact or facts set forth in the Postal Service's filing that the party disputes, and when possible, what the party believes to be the fact or facts and the evidence it intends to provide in support of its position. The Commission will hold hearings on a Postal Service request made pursuant to this subpart when it determines that there is a genuine issue of material fact to be resolved, and that a hearing is needed to resolve that issue.

#### **§ 3001.164 Rule for decision.**

The Commission will issue a decision on the Postal Service's proposed market test in accordance with the policies of the Postal Reorganization Act, but will not recommend modification of any feature of the proposed market test which the Postal Service has identified in accordance with § 3001.162(g). The purpose of this subpart is to allow for consideration of proposed market tests within 90 days, consistent with the procedural due process rights of interested persons.
